

Bearing Precious Seed

Scripture Publishing and Distribution Ministry
A ministry of Wyldewood Baptist Church Oshkosh, Wisconsin
February–March 2022 Prayer Letter

We are happy to report that 40,000 pounds of scriptures are on the way to Kenya, Africa. It is a mixture of Swahili and English scriptures; about 10,000 whole Bibles and 300,000 John/Romans. Please pray for their safe arrival and fruitful distribution.

The 100,000 Farsi New Testaments we have been working on for Iran have all been collated. Graham and Isaac from Berean Bible Baptist, Minnesota, got to collate the last one. Over 80,000 are completely finished and the rest have yet to be bound and trimmed. Our next big project is

200,000 Chichewa John & Romans for Africa. They will be bilingual with English and Chichewa together in one book.

Pagano Family Update: We started our deputation in Pennsylvania and New York by visiting seven churches with two conferences, and one school. We felt the spiritual battle, and are grateful for your prayers. We made it through a snow storm and power steering failure. We are very thankful for each church and the encouragement they gave us. We were blessed by many, especially those that helped us with mechanical

problems and housing. Email jpagano@wyldewood.org if you'd like us to come to your church.

Carpenter Family Update: We had a wonderful series of meetings in Florida. We were able to be in six different churches, one conference, and visit three different print ministries. On the way home through Tennessee, we picked up 17,000 pounds of scripture in multiple languages for future projects.
