

Bearing Precious Seed

A ministry of Wyldewood Baptist Church Oshkosh, Wisconsin
2022 Year End Report

“To God be the Glory great things he hath done.”

We are so glad that God is in control even in the midst of the events of 2022. We stand amazed at how God continues to use the ministry to reach a lost and dying world with His Precious Word. We cannot adequately describe for you the many ways God has blessed our ministry. This report will highlight just a few of the blessings we have seen God perform over the course of the last year.

We would like to say a special thank you to our faithful volunteers from all over Wisconsin. We rely heavily on our volunteers to get the scriptures produced. We have people that come and work in the shop every week, some of them almost every day including Saturdays! These folks are the life blood of our ministry and we sincerely appreciate each and every one of them.

We had another tremendous year of scripture production! In 2022, we were able to send a total of 3 shipping container loads of scriptures around the world. We produced a total of 480,997 Bibles, New Testaments, John & Romans, and tracts. We produced 4 languages we have not produced in the past. They are Dari, Pashto, Farsi, and Chichewa.

Please be in prayer for the container load of 107,000 Farsi New Testaments as they head to an undisclosed location in the Middle East. Pray for the container load of 40,000 pounds of scriptures on it's way to Malawi right now to be used in a scripture distribution campaign in April. This container has 3,300 English whole Bibles in it; 62,400 Chichewa John and Romans in it; as well as 184,935 bilingual English/Chichewa John and Romans. We were also able to get another skid of 16,740 bilingual English/Chichewa John & Romans to Zambia, Africa, on a container with another ministry. In addition to all of the scriptures we produced, we were able to help several churches and missionaries with brochures, bus invitations, bulletins, newsletters, special event invitations, and flyers.

In March, we loaded a 20 foot shipping container with 40,000 pounds of scriptures for Kenya, Africa. This included 10,000 whole Bibles and 300,000 John & Romans in English and in Swahili. Due to problems with customs it was held in port for several months. Praise God it has been released and these scriptures are actively being passed out in Kenya.

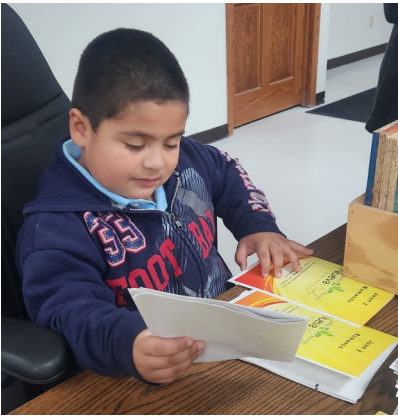

One of the other ways God blessed us in 2022 was allowing us to upgrade a key machine in the print shop, our single knife cutter. In 2022 it became obvious we needed to replace our old cutter for safety reasons. Our old cutter was built in the 1940's and had served our ministry well since the 1980's. We thank God for the decades of use we got out of it and the safety He gave us while running such a powerful machine. To God be the glory great things He has done!

God's word changes lives,
